75th Republic Day - 2024

Dear Rockfordians,

Republic Day is a very important day for India, we, the Rockfordians celebrated the 75th Republic Day of our Country by Hoisting the Tri-colour Flag in the school. It is occasion to remember the long journey of our Mother Land from colonial rule to becoming an independent republic. It is a celebration of democracy, sovereignty, and the enduring spirit of the Indian people.

The school campus was decorated with the Tri colour balloons and flags and boards were filled with patriotic fervour, reminding everyone of their rights and duties towards the country.

The speech of the day gave stress on the valuable contribution of our freedom fighters struggle and the values that our nation stands for – justice, liberty, equality, and fraternity and the need of protecting our constitution to safe guard our country's unity in diversity.

The Constitution of India is not just a book; it is our guide to making India a better place. It lays down the laws, rights, and duties of every citizen. It ensures that every Indian is treated equally regardless of background.

As students and future leaders, we must understand our responsibilities towards our country. We should respect our national symbols, abide by the laws, and work towards the betterment of our society. Remember, every small step counts – be it keeping our surroundings clean, helping those in need, or standing against injustice.

Let's promise to uphold the values our constitution teaches us and work together for a peaceful and prosperous India. Let's be proud of our nation's rich heritage and diverse culture.

Happy Republic Day to everyone!

Jai Hind!

With Regards

Principal

“Embrace the Uniqueness of Numbers”

Class: III

Subject: Mathematics

Mental arithmetic enables children to visualize numbers and make calculations mentally. Here our students of Grade - III have done a mental calculation on addition with the help of straws and found the answers in an enthusiastic manner. The process helps children to strengthen their visualization skills, which will also help them to succeed in different phases of life.

“Math-Nourishes the Mind and Soul”

Class: III

Subject: Mathematics

Recognizing and understanding line segments in our surroundings can help us appreciate the underlying geometry that governs the world we live in and tackle problems related to distance, area, and shape. Here our students of Grade - III have done an activity on line segments in a creative manner.

“Art develops Critical Thinking Skills”

Class: III

Subject: Tamil

Art builds Fine Motor Skills and Neural Connections. It Enhances Creative Abilities and Encourages Imagination. Here our students of Grade - III have done an animal craft with colourful papers and have described about it. Such activity boosts their creativity and speaking skills.

“Learning by Doing”

Class: V

Subject: Tamil

Silver has the ability to enhance the flow of energy. One of the benefits of wearing silver anklets are it positively impacts on the energy in the body. They promote good blood circulation, provide pain relief, and offer a cooling effect. Here our students of Grade - V have done a beautiful crafty anklets with colour A4 sheets and have shared about its benefits.

“Integrating Grammar with School Resources”

Class: V

Subject: English

Grammar is a vital part of Communication. It is essential to allow learners to express their thoughts adequately and form and communicate precise ideas. Grammar is not just about spelling or punctuation. It is an integral part of a language because it allows them to construct sentences and write coherently. Using our School Resources our students of Grade - V have chosen things and as a pair work they have framed their own sentences by observing the resources for the Grammar topic, "Direct and Indirect speech". Such activities will boost their level of creativity and it develops their critical thinking skills.

“Library Best Book Reviewer”

The best friend of human is books. To know the quality of the content we have a quick look at the review part. Our Rockfordians proven again not only by reading or by writing, they proved that they are excellent book reviewer.

Library Best Book Reviewers are: Kumari. Sri Nidhi of class VIII, Kumari. Vanya Singh of class VI and Kumari. Nadia Tazmi A N of class VI.
Library Best User: King. Adithram R S of class VI.

FAREWELL DAY 2023 - 24

"A Sweet Ending To a New Beginning"

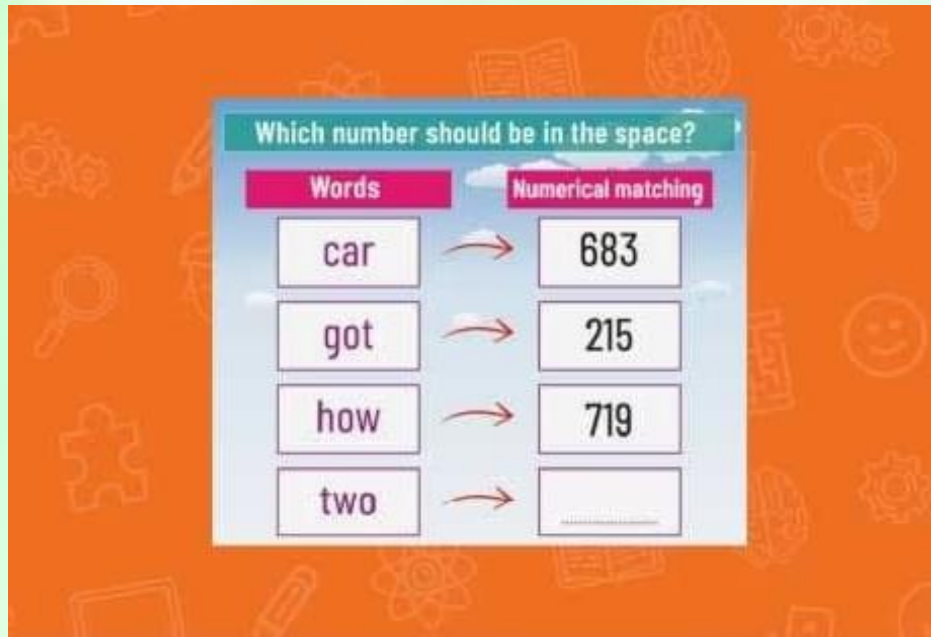

In Rockford every event is special and memorable. Such one grand celebration of Farewell to 12th students was celebrated on 25th Jan. Management and Grade XI students of Rockford organised a memorable day to celebrate the journey of grade XII students.

In this platform students shared their overwhelming feel of student hood. All teachers and management wished their beloved students for their bright future.

Memento, gifts, games, dance, selfies, videos, group photos filled lots of memories to all the minds. Students with a mixed feel of happiness and sorrow of departure registered an immense pleasure in their school days dairies.

"MYSTERY CHAMBER"

"BIRTHDAY CELEBRATION"

WEEKEND READING

Annie Besant (born Oct. 1, 1847, London) was a British social reformer, socialist, theosophist, educationist, philanthropist, writer, and Indian independence leader. At the very early age of sixteen, she had a keen desire to wage war against sin and misery. By the time she was of the age of eighteen she became a well-known leader of militant atheism.

She also joined the Theosophical Society and became its leader for Europe and India, in 1891. In the year 1893, Annie Besant came on a visit to India, and she never looked back. India became her home, as she loved the country of India and its inhabitants, the Indians.

As the President of the Theosophical Society Annie Besant founded several schools in India it was, she who started the Central Hindu College. This same college, in later years became the very well-known Hindu University of Banaras.

Her main goal was to provide a better living condition and an education system to the poor. She also had a keen interest in politics of the times, and she joined the National Movement of Indian against the British regime in India, by joining the erstwhile party, the Indian National Congress. In 1916, together with Lokmanya Tilak, she launched the All-India Home Rule League.

As a member of the Commonwealth, she demanded full and complete freedom for India, from the bondage of the British. In the year 1917, she became the President of the Indian National Congress.

Despite being an Irish by birth, she adopted India as her motherland and worked with devotion for the country, in all important spheres of its existence. She worked for education, society, and for politics as well. Indian Scout Movement was founded by her in 1918, she was also a notable speaker of NSS (National Secular Society) and about 300 books were written by her. She died in Adyar, Madras, at age 85 (year 1933).

“Better Remain Silent, Better Not Even Think, If You Are Not Prepared To Act”

Annie Besant.
