13TH ANNUAL SPORTS DAY

On January 12, 2024, the school had its thirteenth annual sports day. With great pleasure, Dr. Valarmathi was pleased to appear as the chief guest and inaugurate the sports meet.

For the ultimate winner cup, the following four teams competed:

Rock Warrior, Rock Defender, Rock Conquerors, and Rock Legends.

Rockfordians demonstrated a sense of solidarity, tenacity, and hard effort to accomplish the objective in all contests and activities.

As part of the National Youth Day celebration honouring Swami Vivekananda, the children performed a play on his birth anniversary.

SPORTS DAY CELEBRATION

PONGAL DAY CELEBRATION

On January 12 and 13, the Rockfordians of Mathagondapalli (Main campus) and Rockford Kindergarten International school, Karnur celebrated the Harvesting festival on their respective campuses. There were several elegant dance performances and delicious sugarcane Pongal to enjoy. The young Rockfordians praised the farmers and the Sun God for providing healthy food with their charming performance.

Along with their grandparents, the Little Rocks of the Karnur Campus celebrated the Pongal holiday. They portrayed their grandparents and made beautiful, emotional memories. Their adorable little dance is a visual feast for parents and teachers.

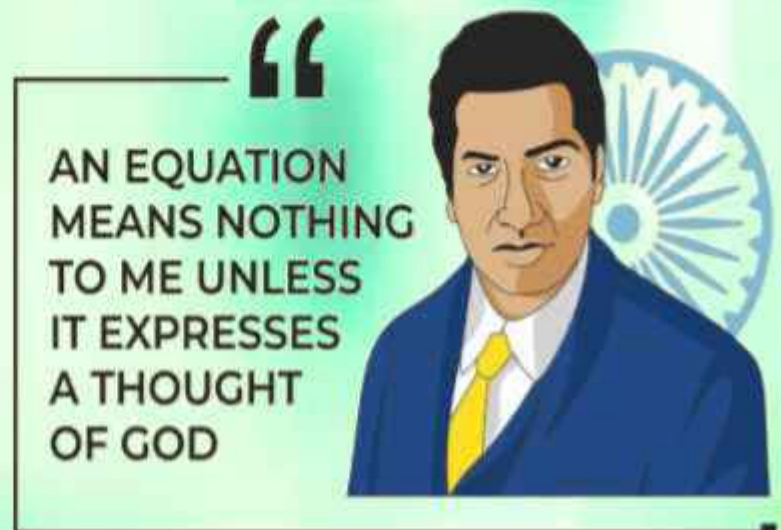

RAMANUJAN QUIZ - NATIONAL MATHEMATICS DAY

"Think Outside the Box"

Quizzes aid in the acquisition of a general or specialized knowledge of a subject. Quizzes are meant to promote enjoyable learning strategies and improve general knowledge. Quiz tournaments allow students to "think outside the box" and from a variety of angles.

Rockford Senior secondary School had an inter-school math competition. Students from several schools participated in the math quiz and had an amazing time.

- SHRI SRINIVASA RAMANUJAN -

75th Republic Day - 2024

Dear Rockfordians,

Republic Day is a very important day for India, we, the Rockfordians celebrated the 75th Republic Day of our Country by Hoisting the Tri-colour Flag in the school. It is occasion to remember the long journey of our Mother Land from colonial rule to becoming an independent republic. It is a celebration of democracy, sovereignty, and the enduring spirit of the Indian people.

The school campus was decorated with the Tri colour balloons and flags and boards were filled with patriotic fervour, reminding everyone of their rights and duties towards the country.

The speech of the day gave stress on the valuable contribution of our freedom fighters struggle and the values that our nation stands for – justice, liberty, equality, and fraternity and the need of protecting our constitution to safe guard our country's unity in diversity.

The Constitution of India is not just a book; it is our guide to making India a better place. It lays down the laws, rights, and duties of every citizen. It ensures that every Indian is treated equally regardless of background.

As students and future leaders, we must understand our responsibilities towards our country. We should respect our national symbols, abide by the laws, and work towards the betterment of our society. Remember, every small step counts – be it keeping our surroundings clean, helping those in need, or standing against injustice.

Let's promise to uphold the values our constitution teaches us and work together for a peaceful and prosperous India. Let's be proud of our nation's rich heritage and diverse culture.

Happy Republic Day to everyone!

Jai Hind!

With Regards

Principal

FAREWELL DAY 2023 - 24

"A Sweet Ending To a New Beginning"

In Rockford every event is special and memorable. Such one grand celebration of Farewell to 12th students was celebrated on 25th Jan. Management and Grade XI students of Rockford organised a memorable day to celebrate the journey of grade XII students.

In this platform students shared their overwhelming feel of student hood. All teachers and management wished their beloved students for their bright future.

Memento, gifts, games, dance, selfies, videos, group photos filled lots of memories to all the minds. Students with a mixed feel of happiness and sorrow of departure registered an immense pleasure in their school days dairies.

RAINBOW DAY- 2024

“You Need both the Sun and the Rain to Make Its Colours Appear”

Yes Rainbow is a symbol of love and following what the heart wants. A rainbow signifies happiness and joy for their future. Through this activity our KG students happily learned about the rainbow and its colours.

“Learning by Doing”

Class: II

Subject: Hindi

Transforming a set of paper cups into a unique Mridangam through careful stacking and securing, nurtures creativity and fine motor skills. Here our students of Grade - II have done a model of Mridhangam through paper cups and have experienced a hands-on exploration of rhythm. Such activity encourages a student with a deeper sense of knowledge with musical concepts and fosters a sense of experimentation.

TEACHERS' CORNER

“Role of Social Science in Our Society”

Social science is a group of academic disciplines that focus on how individuals behave within society. It attempts to explain how society works, exploring everything from the triggers of economic growth and causes of unemployment to what makes people happy.

Social science is a relatively new field of scientific study that rose to prominence in the 20th century. Typical careers in social science include working as an advertiser, economist, psychologist, teacher, manager, and social worker.

Social scientists generally rely more heavily on interpretation and qualitative research methodologies.

“LIFE”

Life in a year

Life is like a new pencil

In a year we face many ebb and flow

First writing is the happiest one,

In the flow it gets blunt

We sharpened it again for the uplift of our life

Some pages are extremely extraordinary

A few pages are ordinary

Reduction of its size shows

How it is losing its life for some success

Repeatedly it gets blunt and sharp for the ideal display.

Cusp it furnish with many attainments.

Accept it, sustain with hope

Squeal is doubtless boom.

STUDENTS' CORNER

"Nurture the Nature"

Earth is spherical,
With so many miracles
It is worth,
for every birth
There are so many porth,
to share our mirth
In benorth,
there is waterbirth
Which is foreworth,
for livebirth
This is the planet
which fulfills the covets!
This is a beautiful spherical;
with so many deep pockets.
But people make it nasty
by filling it with gristly.
So don't destroy it,
Instead save it!

- Varnitha R
Grade - VIII

"Wings of Wonder"

The sky is painted in blue,
The clouds are sticked in glue,
Something is painted with colourful curd,
No, no it's a beautiful bird.

Ha, haa you give us beauty,
Hmm...something is missing it's duty,
But birds do their duty
Is it so beauty?

There's a beautiful girl,
She looks like a pearl,
She takes care of all of them,
Because she is a gem.

This is my beautiful land,
I can make rainbow like a band.

- Mahasri. N
Grade - V
