## STUDENT'S CORNER

This annual day that held on 01-5-24 in the Rockford Karnur campus was a memorable one. Right from the practice to the performance we learnt a lot of values and skills like team work, grasping the ideas, dialogue delivery, dance movements, etc.... This year's theme being "international dances", we got to know the unknown culture, music, dance movements of countries across the world. The whole building was filled with vibes and the auditorium filled with josh and beats. This event was the most awaited one by every student which ends up the experience and achievements of the previous academic year and the start of the next academic year. It also developed a bond with teachers and students getting to know the hidden talents of each other. Every dance move on the stage pulls out the dancer within everyone in the audience gallery. The Mime and Skit displayed the mistakes as well as the corrections of the current generation.

Thank you

An extravagant evening presented by highlander's... took our heart away. Confidence, Determination, Dedication and Commitment was clearly evident in everyone's eyes. Commendable job starting from participating students, their respected teachers, honourable director and principal sir, behind the scenes hero's like cameraman, editorial team, school captains on their toes, administrative staff for smooth functioning of the facilities... be it security guards or housekeeping and the entire school management. I was mesmerised seeing everything so perfect and just bang on... I wish this spirit and momentum stays forever and we keep on enjoying the Annual Day. Last but not the least, Chairman sir rightly said about the LEARNING... I can vouch on the LEARNING and went in organising this Annual Function. Loud Applause for everyone listed in my message. Keep up the good work!
