Experiential Learning- Visit to Fire Station and Police Station

Class: I - III

Subject: Math and Science

As part of our experiential learning program, our students visited the local Fire Station and Police Station to gain real-world knowledge about community helpers and their essential roles in society.

Fire Station Visit:

At the fire station, students had the opportunity to interact with the fire-fighters and observe their equipment, such as fire engines, hoses and safety gear. The fire-fighters explained how they respond to emergencies, demonstrated the use of fire safety tools, and taught basic fire safety tips. The students were excited to learn about how fire-fighters save lives and protect property during emergencies. This hands-on experience helped them understand the importance of fire safety and the courage it takes to serve as a fire-fighter.

Police Station Visit:

During the police station visit, students were welcomed by friendly police officers who explained their daily duties and the importance of maintaining law and order. The officers gave the students a tour of the station, including the control room and basic equipment used in their work. They also conducted an interactive session where students asked questions about safety, traffic rules and how to handle emergencies. The session aimed to build trust and awareness about the role of police in society.

Varalakshmi Pooja

On Friday, 08 August 2025, our school celebrated Varalakshmi Pooja. The atmosphere was vibrant with devotion and traditional décor. Everyone participated in the rituals with sincerity and joy. The celebration concluded with blessings for prosperity and happiness.

CBSE South Zone 1 Girls Football Match -2025

Date: 07/08/2025 to 9/08/2025

Place: MM School

Our school football team proudly participated in the **CBSE South Zone 1 Girls Football Match** showcasing excellent teamwork, skill and sportsmanship. The players trained with dedication and represented our school with great enthusiasm, making us proud both on and off the field. This experience has inspired them to aim higher and continue their hard work for future matches.

Library Quiz Competition

Rockford Senior Secondary School organized an inter-house Library Quiz Competition in the month of July. The four houses—Rock Warriors, Rock Legends, Rock Defenders and Rock Conquerors—participated with great enthusiasm. The quiz was based on The Hindu in School newspaper and the students showcased their knowledge by answering effectively. Rock Warriors were declared as winners. The school congratulated them and awarded certificates in appreciation of their achievement.

79th Independence Day Celebration

Rockford Senior Secondary School, Madhagondapalli, celebrated its 79th Independence Day with patriotic zeal. The event featured speeches by Mr. Srinivasa, Social Studies teacher, on the history of India's freedom struggle and Mr. Jim Paulson, Chemistry teacher, on the value and responsible use of freedom. Student council leaders Ms. Huda (Grade 12) and Likitha (Class 10) also spoke on the significance of the day. The principal addressed the teachers on their roles and responsibilities in nurturing the students into a respectful citizenship. To add cheer, the student council organised a tug-of-war for teachers. The celebration left everyone reflecting on the true meaning of freedom and responsibility...

Experiential Learning

This week our students had a wonderful experiential learning trip to Bannerghatta Zoo. They observed lions, tigers, elephants, bears and many species of birds and reptiles where students learned about the herbivores and carnivorous. The visit helped them connect classroom lessons on biodiversity, food chains and conservation with real-life experiences.

Along with this, regular classroom activities and lessons continued, ensuring a balanced week of academic learning and practical exposure. Students enjoyed the trip and returned with valuable knowledge about protecting wildlife and nature.

Pledge against Tobacco

Students pledge to stay away from tobacco and drugs, knowing their harmful effects. They promise to protect their health and well-being at all times. They commit to inspiring friends and peers to avoid harmful substances. They vow to live a life of discipline, positivity and self-respect. They stand united to build a healthy, drug-free future for all.

KRISHNA JANMASHTAMI CELEBRATION

Our school celebrated Krishna Janmashtami with great devotion, joy and enthusiasm. The campus was beautifully decorated with flowers, rangoli and colorful buntings to create a festive atmosphere. Students came dressed as Lord Krishna, Radha and gopikas, wearing vibrant costumes and ornaments. The celebration began with a short prayer and devotional songs praising Lord Krishna. This was followed by cultural programs such as dance and dramas depicting Krishna's childhood leelas, bhajans and group dances on traditional songs. The highlight of the day was the "Dahi Handi" event, where students formed a human pyramid to break the pot filled with butter and sweets, recreating the playful act of Krishna. Teachers shared the significance of Janmashtami, explaining Lord Krishna's message of love, truth and righteousness. The program concluded with the distribution of prasad to all. The celebration not only brought joy but also instilled cultural values and the spirit of togetherness among students.

State Selection Athletics Meet - 2025

The State Selection Athletics Meet, held on 24th August 2025 at MMS School, Mathagondapalli, showcased our students' remarkable talent and dedication. Their hard work, perseverance and team spirit resulted in impressive victories. We are immensely proud of their accomplishments and the honour they've brought to our school. Heartfelt congratulations to all the winners for their exceptional performances.

Experiential Learning

The **Visvesvaraya Industrial and Technological Museum** offers a range of exciting galleries that help students understand physics through interactive models and experiments. In the Engine Hall, students explore mechanical physics using engines, machines and working models. The "How Things Work" section covers simple machines like levers, pulleys, gears and inclined planes. The Fun Science (Fun City) gallery features interactive experiments on sound, light, waves, fluids, motion and perception, making learning enjoyable. The Electro-Technic Gallery showcases electricity, magnetism, electromagnetic induction, the Tesla coil and the Van de Graaff generator. The Wright Brothers' Gallery houses a full-scale airplane model and explains the physics of flight. The Space Technology section highlights rockets, satellites and India's space missions. Another attraction, Science on a Sphere, projects Earth and planetary data to explain weather, oceans and space science. These exhibits make abstract physics concepts more accessible and engaging through hands-on experience.

Experiential Learning

The **PES University Experience** On 23rd August 2025, students of Classes XI and XII had the enriching opportunity to participate in a series of events hosted by PES University. The sessions offered valuable exposure to diverse fields of study and motivated students to reflect on their future career paths. Engaging workshops and competitions provided hands-on learning experiences, allowing students to sharpen their skills in real-world scenarios.

This visit proved to be an inspiring and meaningful part of their educational journey, contributing greatly to their personal growth and professional aspirations.

Vinayakar Chaturthi Celebration

Vinayakar Chaturthi was celebrated at Rockford School on 26th August 2025. The occasion was marked by special prayers, vibrant decorations and the installation of Lord Ganesha's idol. Students and teachers gathered to offer their prayers and seek blessings for prosperity and success. The celebration was a blend of tradition and joy, fostering a sense of unity and devotion within the school community.

Parents - Teachers Meeting

Today's parents' meeting was conducted very effectively for classes I to IX. It provided valuable insights into the students' progress and upcoming activities. The discussions were productive, allowing parents to engage with teachers and understand their children's development. Overall, it was a successful meeting, fostering strong collaboration between parents and the school.
